SEAT GRAMMER MAXIMO DYNAMIC

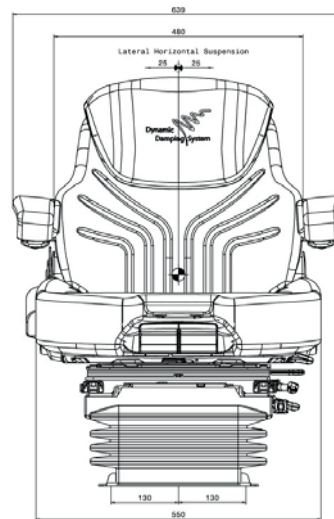

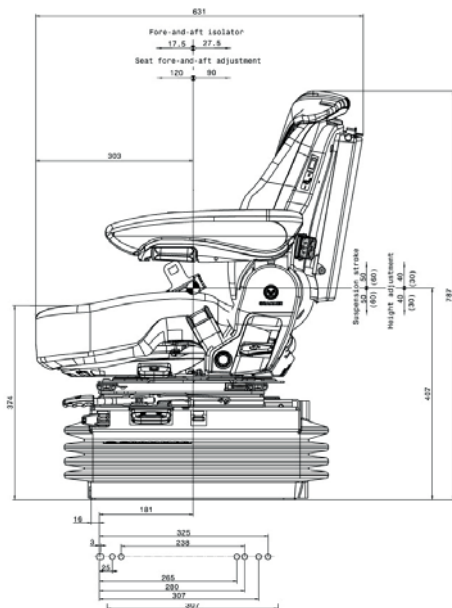

High-Comfort Seat with Dynamic Damping System

- Dynamic damping air suspension system (12V compressor)
- Electronically controlled suspension positioning system
- 100mm vertical suspension stroke
- Non-adjustable shock absorber
- Air assisted height adjustment - 80mm
- Automatic weight adjustment
- Horizontal suspension
- Lateral suspension
- Fore and aft isolator
- Adjustable damper
- Swivel - $\pm 20^\circ$
- Slide rail adjustment - 210mm
- Pneumatic air lumbar support
- Seat heating
- Passive climate system
- Integrated backrest extension
- Backrest angle adjustment
- Adjustable seat cushion length & angle
- Height adjustable and foldable armrests
- Suspension cover
- Document holder
- Wide fabric cushions - 550mm

Pneumatic Suspension	Dynamic Damping System	Pneumatic Lumbar Support	Adjustable Swivel	Automatic Shock Absorber
Automatic Positioning System	Automatic Weight Adjustment	Lateral Suspension	Fore/Aft Isolator	

Ref. 830-352

Tractor Seats

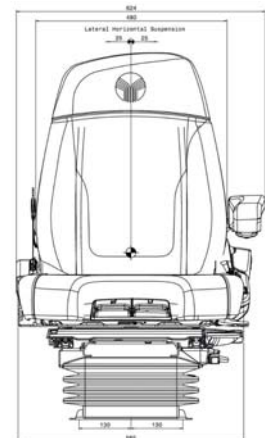

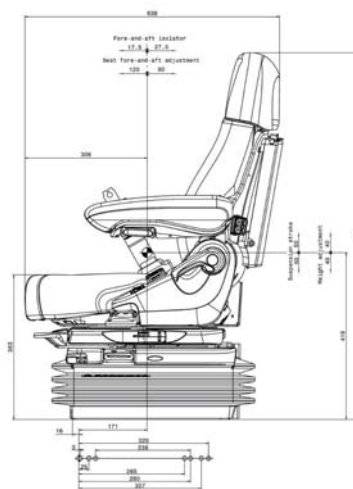

SEAT GRAMMER MAXIMO DYNAMIC PLUS

With Dualmotion Adaptive Back Support

- Pneumatic suspension with 12 V compressor
- Dynamic Damping System®
- Suspension stroke 120 mm
- Weight adjustment, Automatic
- Height adjustment, 80 mm infinite (air-assisted)
- Climate system, passive
- Fore/aft adjustment 210 mm
- Fore/aft isolator
- Lumbar support, pneumatic
- Adjustable backrest angle
- Adaptive backrest Dualmotion
- Lateral suspension
- Seat cushion width 565 mm
- Seat heating 2-step
- Adjustable seat cushion depth and angle
- Swivel 7.5° left / 15° right
- Shock absorber, Automatic
- Armrests
Left: 80 x 380 mm, adjustable angle
Right: interface for multifunctional armrest
- APS (Automatic positioning system)
- Document box

Ref. B60615

Tractor Seats

SEAT GRAMMER MAXIMO COMFORT

Standard Seat with Pneumatic Suspension

- Air suspension (12V compressor)
- Electronically controlled suspension positioning system
- 100mm vertical suspension stroke
- Non-adjustable shock absorber
- Air assisted height adjustment - 60mm
- Automatic weight adjustment
- Fore and aft isolator
- Adjustable damper
- Slide rail adjustment - 210mm
- Mechanical air lumbar support
- Backrest angle adjustment
- Height adjustable and foldable armrests
- Suspension cover
- Wide fabric cushions - 520mm

Tractor Seats

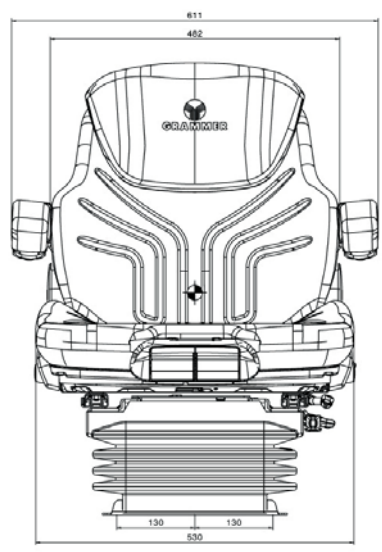

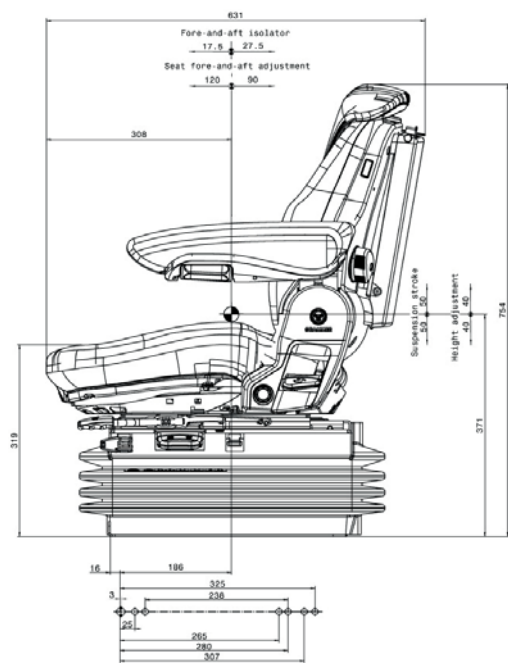

SEAT GRAMMER MAXIMO COMFORT PLUS

Standard Seat with Automatic Positioning System

- Air suspension (12 V compressor)
- Electronically controlled suspension positioning system
- Adjustable seat base cushion
- Backrest angle adjustment
- Wide fabric cushions - 530mm
- Height adjustable and foldable armrests
- Automatic weight adjustment
- Material: fabric

Ref. 830-350

Tractor Seats

SEAT GRAMMER MAXIMO PROFESSIONAL

High-Comfort Seat with Low-Frequency Suspension

- Low-frequency air suspension 12 V
- 100mm vertical suspension stroke
- Automatic weight adjustment
- Air assisted height adjustment - 80 mm
- Suspension cover
- Swivel - $\pm 20^\circ$
- Adjustable seat cushion length & angle
- Adjustable headrest
- Height adjustable and foldable armrests
- Wide fabric cushions - 530 mm
- Fabric seat

Intella Parts offers the Grammer AG core range of seats and spare parts for the agricultural market.

In addition to the range of suspension seats, we stock an extensive range of replacement spare parts for the service and maintenance of all Grammer seats.

Grammer are specialists in developing and producing driver and passenger seats for maximum mobility and comfort.

Silver Label

The product identification details for all GRAMMER seats are shown on the silver label which can be found on the back of the seat or on top of the suspension unit. The key information on this label is the model code, GRAMMER part number and build date. An example is shown here :
