ACCESSORIES

Improve Operator Productivity!

SkyGlazier® is the first and only factory-approved glass and panel tray. It utilizes industry leading capacity to help you get materials to the work site. All while improving productivity, reducing operator fatigue and protecting panels from damage. Please contact the Parts Marketing team at 1-877-554-5438 or partsprograms@jlg.com for more information.

FEATURES/BENEFITS:

- Prevents damage to panels - the system includes a foam-padded railing, a strap to secure panels, and a rubber coated tray.
- Conserve platform space by holding supplies outside the platform.
- Reduce worker fatigue by decreasing manual lifting.
- Eliminate safety violations by using a manufacturer-approved panel-carrying system, integrated into the platform.
